South Jakarta’s cosmopolitan hub offers residents a place to grow and learn, work and play, enjoy healthy activities and lead complete, fulfilling lives.

LIVING PONDOK INDAH has become renowned in Jakarta for offering an exceptional way of life to its residents, with convenience and quality as hallmarks of its many facilities and attractions.
The three towers of Pondok Indah Residences promise the most exceptional apartment living in the district. Built on three hectares of land, 70% of which is reserved for green areas and pools, the three towers of Pondok Indah Residences promise to fulfill an ideal new urban living in the district.

With a private underpass offering a direct connection to Pondok Indah Malls and the InterContinental Hotel, the development affords the ultimate in convenient modern living.
